Name: _____   Date: _____

Introduction to Fractions

____ 1.   A fraction greater than 1 where there is a whole number and a
          proper fraction
          A. fraction   B. term   C. mixed number   D. fraction bar

____ 2.   In fractions, the word to describe the numerator and denominator
          A. term   B. mixed number   C. improper fraction   D. fraction

____ 3.   The bottom number (part) of a fraction
          A. proper fraction   B. fraction   C. denominator   D. term

____ 4.   The top number (part) of a fraction
          A. numerator   B. fraction bar   C. mixed number   D. proper fraction

____ 5.   fraction bar
          A. fraction bar   B. term   C. improper fraction   D. proper fraction

____ 6.   A fraction greater than 1 where the numerator is greater than the
          denominator
          A. improper fraction   B. fraction   C. denominator   D. term

____ 7.   Two numbers separated by a fraction bar
          A. denominator   B. proper fraction   C. fraction   D. improper fraction

____ 8.   A fraction where the numerator is less than the denominator
          A. proper fraction   B. numerator   C. mixed number   D. fraction bar

Name: _____ Date: _____

Introduction to Fractions

C 1. A fraction greater than 1 where there is a whole number and a proper fraction
        A. fraction   B. term   C. mixed number   D. fraction bar

A 2. In fractions, the word to describe the numerator and denominator
        A. term   B. mixed number   C. improper fraction   D. fraction

C 3. The bottom number (part) of a fraction
        A. proper fraction   B. fraction   C. denominator   D. term

A 4. The top number (part) of a fraction
        A. numerator   B. fraction bar   C. mixed number   D. proper fraction

A 5. fraction bar
        A. fraction bar   B. term   C. improper fraction   D. proper fraction

A 6. A fraction greater than 1 where the numerator is greater than the denominator
        A. improper fraction   B. fraction   C. denominator   D. term

C 7. Two numbers separated by a fraction bar
        A. denominator   B. proper fraction   C. fraction   D. improper fraction

A 8. A fraction where the numerator is less than the denominator
        A. proper fraction   B. numerator   C. mixed number   D. fraction bar
